

Dear All,

Hope you are all well in the November darkness. May 2020 may seem far away but it's approaching fast.

Here is an early notice of the 3rd Annual Meeting of the Beacon project, **13-14 May 2020**,

with an adjacent separate meeting initiated from Work package 2 the **12 May**.

This time the Annual meeting will be in Liège where Robert Charlier and Liliana Gramegna are welcoming us to the University of Liège! Thank you for that!

The outlines of a preliminary agenda, and some initial information about how to get to ULg and recommended accommodation, are attached.

It is possible to register for the 3rd Annual meeting via this link <https://simplesignup.se/event/160308>

The WP2 meeting the 12 May concerns preparatory work regarding the update to the D2.2 BEACON deliverable. For questions contact Simon Norris at simon.NORRIS@nda.gov.uk. Registration for the WP2 meeting <https://simplesignup.se/event/160448>

You are all very welcome!

All the best,
Mary
