Preparations

This project receives funding from the Euratom research and training programme 2014-2018 under grant agreement No 745942

Status Grant Agreement

Signed by the Commission and by the Coordinator

22 out of 25 partners have signed the Accession form/GA.

At least one partner awaits an agreed Consortium Agreement before signing the G A.

The deadline for signing was Friday 16th June, and is now slightly extended.

Status Consortium Agreement

Maybe we have an agreed final version. Printed available.
Changes relative last version (except editorial)

"Tracked changes" that no one objected against have been accepted and all comments removed but two

5.2 Limitations of contractual liability

"No Party shall be responsible to any other Party for any indirect or consequential loss or similar damage such as, but not limited to, loss of profit, loss of revenue or loss of contracts, provided such damage was not caused by a wilful act or **by a wilful or grossly negligent breach of confidentiality.**

Attachment 6, paragraph 3:

The obligation of confidentiality shall not apply to such information and objects for which it can be proved by the [XXXX] that the information or object (.....)

-Is disclosed due to national law or order of court **or by requirement of supervisory authorities and regulatory bodies,**

The Consortium Agreement

When agreed:

The last partners can sign the Accession to the Grant Agreement.

A copy of the CA sent to each partner . Partners sign their signature page.

CA + all the signature pages are put together to a signed agreement
